Traditional 'California ski boat' styling has never been better. Either has performance or value...a great choice for fresh water lakes and rivers.

Just because it's a sleek silhouetted ski boat doesn't mean the 20.5 Classic can't accommodate the family...it can. Spacious bowrider and cockpit areas are enhanced with custom upholstery.

This 20-footer packs convenience...builtin ski locker, ski tow and ice chest plus ample storage compartments.

If you'd like a 25 Citation with a little extra attitude...opt for the optional offshore bolster seats. This cockpit is almost maintenance-free thanks to a sturdy and attractive fiberglass floor liner.

Indoor or outdoor, it's your decision with the 25 Citation Cuddy/Bowrider. No need to compromise here, enjoy the roomy open bow or sit below deck in the protected cuddy cabin.

You can have some 'big' family fun when there's a bowrider compartment this size.

Advantage knows a lot about making boats that are fun for the entire family. And the only way to do that is by listening to our customers and keeping those comments and suggestions in mind when it comes time to create our next new model. After nearly twenty years in the boat business, we've become pretty good listeners ...and our customers seem to appreciate that. At Advantage, we strive to improve the entire boating experience...right from the moment you start shopping for a new boat, until it's delivered, and from then on until it's time to buy your next Advantage.
