	25 CITATION		
	CLOSED DECK	BR	
Hull Length	25'5"	25'5"	
Beam	98"	98"	
Approx. Weight w/Engine	4000	4150	
Standard Fuel Capacity	85 gal	85 gal	
Seating Capacity	8-10	8-10	
Transom Angle	15°	15°	
Hull Deadrise	21°	21°	

Even something as simple as a driver's helm is better with Advantage ingenuity at work. Note the convenient step-up dash and full fiberglass floor liner. If you can't quite make up your mind between owning an offshore muscle boat or a family sportboat...why not both?

The 25 Citation is the perfect crossover model, also available in a cuddy/bowrider version too.

Does this look like the normal cabin of a 25-foot sportboat? It's no illusion....you'll be amazed at the headroom, overall spaciousness and ease of entry to the open bow. Closed deck model has a large forward sleeping berth.

## Performance Step-Vees

The 28 Victory was engineered from the keel up to deliver exhilarating performance from a wide range of single MerCruiser Stern Drive options.

You won't find a roomier 28-footer. Perfectly proportioned....large aft sunlounge, spacious main cockpit, expansive mid-cabin and comfortable bowrider.

Pure performance thanks to Advantage's efficient step-vee hull design.

**Specialty Boats 612-867-1771**

Hull Deadrise	22°	22°		

Molded fiberglass galley cabinet with sink, storage compartments and optional blender.

### **Specialty Boats** 612-867-1771

info@specialtyboats.com www.specialtyboats.com

Try this for high performance. Side-by-side center seating with walk-around access and full rear bench. Also note 3/4 style engine hatch with port side walkway.

Excellent headroom, ample seating accommodations and luxurious amenities are the important ingredients of a comfortable, multi-use cabin. Closed deck model is standard with a forward sleeping berth.

The 27 Victory has an unmistakable offshore feel the moment you slip behind the steering wheel. The dash console provides handy molded fiberglass walk-up steps to assist in easier access to the forward deck.

It's not hard to understand why the 27 Victory cuddy/bowrider has become such a family favorite...abundant passenger capacity, ample freeboard and a silky-smooth ride.
