## Specialty Boats 612-867-1771

info@specialtyboats.com  
www.specialtyboats.com

How's this for easy dockside access?  
Boarding and debarking for all family  
members has never been more  
convenient. Full cockpit access is  
afforded with walk-thru ease.

X-FLIGHT 29 WALK-THRU	
Hull Length	29'7"
Beam	107"
Approx. Weight w/Engine	4400
Standard Fuel Capacity	110 gal
Seating Capacity	12-14
Transom Angle	15°
Hull Deadrise	22°

It's a driver's dream boat. Bold new  
instrumentation console engineered for  
driver comfort and control. Unobstructed  
line-of-sight vision to all gauges.

Thanks to its exclusive new  
vee-flight hull design, the  
X-Flight 29 is highly  
compatible with a variety  
of V-8 Mercury power  
options including high  
performance packages.

**MERCURY**  
#1 On The Water

Need a little rest? Both the Cuddy/Bowrider and Walk-Thru models provide a comfortable port side sleeping berth.

Wraparound comfort in the spacious bowrider compartment, designed to accommodate both adult and child size passengers.

# **X-FLIGHT 29 CUDDY/BOWRIDER**

Hull Length	29'7"
Beam	107"
Approx. Weight w/Engine	4550
Standard Fuel Capacity	110 gal
Seating Capacity	12-14
Transom Angle	15°
Hull Deadrise	22°

For cooler boating climates, the XFlight Cuddy/Bowrider model is your answer thanks to a spacious mid-cabin with ample headroom.

Wide aft lounge, flat motor hatch for tanning and port side transom access to the molded swim platform makes the X-Flight a multi-talented family oriented performance sportboat.

The new XFlight 29 is also available in a mid-cabin/bowrider version. Now you can have deckboat roominess with cruiser comfort.

# X-FLIGHT 27

Easy access to the removable ice chest inside driver-side forward bulkhead.

<b>X-FLIGHT 27 WALK-THRU</b>	
Hull Length	27'7"
Beam	107"
Approx. Weight w/Engine	4300
Standard Fuel Capacity	100 gal
Seating Capacity	12
Transom Angle	15°
Hull Deadrise	22°

Walk from bow to stern without a crawl or a climb. Total interior freedom. Giant 56" x 44" bowrider compartment.

Lots of engine options ranging from stock V-8 sterndrives to high performance.

**Specialty Boats**  
**612-867-1771**

[info@specialtyboats.com](mailto:info@specialtyboats.com)  
[www.specialtyboats.com](http://www.specialtyboats.com)

Super easy boarding and just open the lid for fender storage.

Step into the inside lounge, you won't believe how spacious it is. Ample headroom for 6+ foot adults.

Feel like you're in total control. The X-Flight 27 helm has been engineered with ergonomic precision.

<b>X-FLIGHT 27 WAK-THRU</b>	
Hull Length	27'7"
Beam	107"
Approx. Weight w/Engine	4300
Standard Fuel Capacity	100 gal
Seating Capacity	12
Transom Angle	15°
Hull Deadrise	22°

Efficiency is the name of the game, and the X-Flight 27 has it.

# THE NEW GENERATION

Seldom does a new hull concept come along that is destined to so profoundly change the landscape of family performance boats. But that is exactly what Advantage's new XFlight 29 has done, and in a very big way. It's roomy like a deckboat yet runs with the abandon of a pure bred performance machine. Although from the waterline it may appear to have an air-entrapment-like hull, it does not. The pickle-fork bow blends into an advanced stepped-vee bottom designed to more efficiently utilize today's modern V-8 single engine stern drive packages, delivering exceptional handling, stability and load-carrying capabilities. Advantage XFlight 29, a remarkable achievement in family sport boat innovation.

One additional year of factory engine warranty \*at no extra cost.

## STANDARD EQUIPMENT/FEATURES

ANCHOR LOCKER (BUILT IN)  
BILGE BLOWER
